MRS. EARL CHARLES DIED.

Passed Away at 11:30 Friday Night at St. Francis Hospital—Funeral Monday Morning at 9:30.

After several weeks of intense suffering, Mrs. Earl Charles passed away at St. Francis hospital Friday night at 11:30 o'clock.

The funeral services will be held Monday morning at 10 o'clock at St. Patrick's Catholic church, by the pastor, Rev. Fr. Niemann. Burial will take place in St. Patrick's cemetery.

According to a request made by Mrs. Charles her body will be removed from the hospital Saturday evening to the home of her parents, Mr. and Mrs. Daniel Donahue, four miles north of Maryville, to remain until the morning of the funeral service.

The death of any mother, especially a young mother, is peculiarly sad. For many weeks Mrs. Charles had made a brave struggle for her life, and lengthened it several days by her effort to live for the baby girl that was given her two weeks ago, and it seemed sometimes that she would win. She was conscious to the last and was finally able to say, "Thy will be done." She was a sweet Christian woman and her death is sincerely mourned by many friends.

Mrs. Charles was Alice Donahue, a daughter of Mr. and Mrs. Daniel Donahue of near Maryville. She was born in this county twenty-seven years ago the 17th day of February last, and had always lived here. She was married November 29, 1911, to Earl Charles, a well known young farmer, and they had begun the erection of a new residence on the farm, ten miles south of Maryville, where they began house-keeping when Mrs. Charles was taken ill. She is survived by her husband and their daughter, Mary Alice; her parents, six sisters and one brother, who are Mrs. Frank Dempsey and Mrs. Will Sturm, near Maryville; Misses Nona, Anna, Stella and Mayme, at home, and William Donahue, also at home.

Basket ball is having its inning at the high school, and the enthusiasm is running high. Each afternoon of the last week, excepting Wednesday, was the scene of a lively encounter. COST OF THE RACE

CANDIDATES FILING THEIR EXPENSE ACCOUNTS.

OTHERS MUST FILE SOON

Dr. Wallis Spent Nothing in the Campaign—Contribution to Committee Wallace's Heaviest Expense.

Many candidates at the recent election are filing their campaign affidavits stating the amount of money they spent to make the race. These statements are to be filed within the next month.

Dr. Wm. Wallis, Jr., successful candidate for coroner did not spend a cent in his race.

E. T. Bailey, who was elected as a member of the county court from the north district, spent \$43.15.

J. W. Praisewater, representative-elect, spent \$33 in his campaign.

W. R. Tilson, who was elected treasurer by a close margin of 25, and which was one of the closest races in the election, spent only \$75.85.

J. F. Roelofson, successful candidate for public administrator, spent \$27.35.

Ed Wallace, successful candidate for sheriff, filed his statement showing that it cost him \$103.50, \$75 of this amount being donated to the Democratic county committee.

SPENDS \$7,341 ANNUALLY.

That Was the Amount Received by Burlington Junction Postoffice Employees This Year.

According to the Burlington Junction Post the postoffice at that place received \$7,341 the last year from the government to pay employees, rent and other incidental expenses. This is quite a pay roll for the Junction. The Post, continuing, says:

The books at the office show a remarkable growth in the business of the local office since May 15, 1897. The first year the total amount paid to the office from the government was \$1,160. There were no rural routes and the mail handled at that time wasn't a drop in the bucket compared with what now goes through the office. The past year \$7,341 was received from the government—an increase of \$6,181 over the receipts sixteen years ago.

An idea of the amount of mail handled by the local distributing office can be obtained from the following report made from the rural routes for the month of October. This report includes no mail distributed here in town:

Route No. 1—8,268 pieces, weight 1,035.94.

Route No. 2—8,130 pieces, weight 1,095.8.

Route No. 3—6,716 pieces, weight 915.7.

Route No. 4—6,131 pieces, weight 796.13.

Route No. 5—3,438 pieces, weight 498.10.

Total number of pieces carried, 32,683. Total weight of pieces, 4,255.154.

These figures go to show that the patrons on the routes out of Burlington Junction are kept well informed on current topics through the newspapers and magazines and do considerable corresponding. J. H. Bryant, the present postmaster, will complete his sixteenth year next May 15, having been reappointed three times to the office, and he has made a record that he may well be proud of in the service of Uncle Sam.

SMALLPOX AT ARKOE.

Owing to the Contagious Disease at That Town, no Preaching Will Be Held Sunday.

GLOVER CASE UP

SENSATIONAL DAMAGE SUIT ATTRACTS LARGE CROWD.

GLOVER ON THE STAND

Case Will Probably Take Up Monday and Tuesday of Next Week—All Marts Goes Free.

In the case of James Glover vs. D. T. Garrett for \$25,000 damages for the alienation of Glover's wife's affections, which is on trial in circuit court, the plaintiff rested its case this afternoon about 2:30 o'clock.

A very large crowd is in attendance and the evidence given is somewhat sensational and spicy. The first witness was James Glover the plaintiff, and this morning the important witness was Mrs. Edna Irvin. Many other witnesses were examined.

The defense took charge of presenting their side of the case late this afternoon.

Court adjourned at 4 o'clock this afternoon and the case will be continued next week. It will probably take Monday and Tuesday to complete the case.

All of the parties in the case are from Burlington Junction, and many people from that place are witnesses.

In the case of A. M. Marts, charged with wife abandonment, the prosecuting attorney enters nolle pros. Marts is well known here, having abandoned his wife last summer after she had given birth to a child. The case was further complicated by the fact that Marts was not legally married to the woman.

The jury that is hearing the case is composed of John Keats, James H. Key, Willis Wamsley, Sumner Shockley, E. M. Bailey, David Mitchell, Walter Davis, Albert Hefflin, Zone Lock, John Campbell, William Miles and James Patterson.

In the matter of hearing days for petitions for naturalization papers, the following days have been fixed and final action will be taken on application for citizenship in this court on the second Saturday in February, June and November terms of court at 1:30 p. m.

The suit of Grace Gray vs. Felix Johnson and Roy Johnson, a contract suit, the suit was dismissed for want of prosecution, and the plaintiff files motion to set aside dismissal.

In the case of Ira Gray vs. J. W. New, an appeal case from the justice court at Hopkins, the motion for a new trial was overruled, and the jury having found for the plaintiff for \$3, the defendant was ordered to pay that amount.

The case of Victoria A. Lund vs. estate of John F. Partridge, deceased, an appeal case from probate court, by agreement of parties it was settled by the plaintiff receiving \$500 and paying costs of suit.

In the suit of A. J. Ashlock vs. C. G. W., for damages, motion to set aside default sustained and default is ordered set aside upon defendant paying costs. Defendant files motion for cost bond.

PULLED DOWN A NOTCH.

Berney Harris Five Defeated Leaders in Basket Ball Tournament by a Score of 23-22.

The Montgomery-Lyle basketball team, leaders of the Normal basketball tournament were brought down a notch Friday evening when they were just barely nosed out by the Berney Harris five in the hardest fought battle of the tournament. The final count was 23 to 22. The Montgomery-Lyle team have only dropped two games thus far and both of these to the Berney Harris team by very close scores.

Captain Taylor, of the Berney Harris team, was out of the game with a sprained ankle and his place was taken by Prof. Moore, whose accurate passing, figured largely in the victory. Hutchinson played a great defensive game for the winners. He let Captain Daise down with two field goals and that's goin' some. Mathes at forward also contributed to the win with four spectacular field goals.

Lamar at forward for the defeated team was the best bet for his team. He picked four baskets. The defense of Scott and Cook was good. Line-up: Montgomery-Lyles—Forwards, Daise and Lamar; center, Houston; guards, Cook and Scott.

Berney Harris—Forwards, Moore and Mathes; center, Perrin; guards, Boyer and Hutchinson.

Summary—Field goals, Mathes 4, Perrin 5, Lamar 4, Daise 2, Houston, Scott, Moore.

In the second game of the afternoon the Bull Moozers had little trouble in besting the Bee Hives, as the 26 to 7 score will indicate. Captain Vander-sloot fattened his record with seven field goals and four free throws. The line-up:

Bull Moozers—Forwards, Vander-sloot and Hanna; center, Jones; guards, White and Richie.

Bee Hives—Forwards, Carpenter and Eck; center, Anderson; guards, Hanna and Hartness.

Summary—Field goals, Vander-sloot 7, Hanna 2, Richie 2, Eck 2, Carpenter. Free throws, Vander-sloot 4, Eck.

HOW TO FIGHT CHINCH BUG.

Pest Cost the State \$5,000,000 This Year.

According to L. Haseman of the Missouri agricultural station the chinch bug cost the state of Missouri approximately \$5,000,000 during this year. Unless immediate steps are taken to destroy the swarms which are living over during the winter this loss will be greatly increased next year.

Between now and December 1 all meadows, pastures, roads, waste lands and other fields, which are heavily overgrown, should be carefully examined for the hibernating chinch bugs. Those fields near wheat and corn fields which were infested last summer should be examined with special care. The insects hide deep down in clumps of grass, under leaves and rubbish and in many cases their presence can be detected from the disagreeable odor of the crushed bugs, even before one finds them in their hiding places.

Wherever they are found the fields should be burned over immediately and carefully so that every possible shelter will be destroyed. The wind should not be too strong so that the heat will penetrate down into the clumps of grass and make a clean job. Farmers should co-operate in burning over all public highways and railroad right of ways in the infested regions. With careful, systematic burning of all harboring places in the fall, a large percent of the millions of hibernating bugs will be killed by the heat directly and many more left exposed to the winter. After each and every farmer has done all he can to destroy the pest during the winter, the fight will be well enough started so that, if taken up in time next summer, the injury from the pests may be greatly reduced.

The baptism took place in a large cement tank in the pasture and was lighted by several automobiles that were drawn up around the tank or that purpose. The service was very impressive.

A Bull Moose Luncheon.

The girls of the Hum Drum club are the original Progressives in these parts, for they have been giving annual progressive party luncheons for

two or three years. Thursday evening was the time for their annual stunt, and in order to be right up to the mark they called it a Bull Moose luncheon, and it's the first one, by the way, that has been given, notwithstanding the enthusiastic and determined declarations of the Bull Mooseers who vote. The luncheon last night was given in honor of Miss Dorothy Sherman of Kansas City, who is the guest of Miss Vera Tilson and Miss Carrie Margaret Baker. The first course, consisting of fruit cocktail, was served at the home of Mrs. E. F. Wolfert, with Miss Carrie Margaret Baker as hostess; the second course, cream tomato bouillon, at the home of Miss Mildred Hanna. The other courses were as follows: Creamed chicken, at the home of Dr. and Mrs. Leslie Dean, with Miss Dale Hoffman and Miss Vera Tilson as hostesses; creamed oysters, at the home of Miss Martha Koch; a dinner luncheon of brown bread, escalloped potatoes, candied potatoes, and potato chips, with favors of pink carnations, at the home of Miss Frances Keeler; hot biscuit and baked beans, at the home of Miss Ruby Curnutt; apricot ice and cream wafers, at the home of Miss Geneva Willey; the favors were given at the home of Miss Glen Hotchkiss and were purple cysanthemums and painted menus with "Bull Moose Luncheon" on each; at Miss Mildred Robinson's home the course consisted of Sphinx a la mode. (This means that those everlasting Sphinx club boys got there first and stole the delicious ice cream and cake that was there, packers, plates, spoons and all—they must have been awfully hungry, and the Hum Drums didn't get a smell. This is told for a warning to all people who wish to entertain their friends.) The last course, coffee and cheese balls, was served at the home of Miss Blanche Shipp. How could they eat so much? Oh, they walked a long way between each course. That's how.

MADE ATTEMPT TO TAKE LIFE.

Clyde Keegin, Little Boy, Confessed to Taking Money and Did Not Want to Take Punishment.

Clyde Keegin, the 12-year-old boy of Mr. and Mrs. James Keegin, had a bottle of carbolic acid on his person this morning and was making an effort to take his life, as he did not want to be punished by his parents for taking some money from the shooting gallery. His father, however, took the bottle from him.

The little Keegin boy has been caught lately taking some money from this place.

Missouri Has Many Named Farms.

It is said that there are more named farms in Missouri than in any other state in the Union. This is probably due to the fact that Missouri was the first state to have a farm name registration law, the passage of which was secured by W. L. Nelson, present assistant secretary of the Missouri state board of agriculture. The cost of registering a farm name is but one dollar, payment to be made to the county clerk. Every farm should have a name. It promotes pride in the home place, and is an incentive to better farming.

To Give Lecture November 30.

Dr. George R. Stuart, the next number of the Normal lecture course, will give his famous lecture on "Fun—Is It Divine or Devilish?" on Saturday evening, November 30, at the First M. E. church.

Constipation and Catarrh

S. B. HARTMAN, M. D.

You are constipated. You have taken laxatives a great many years. You have tried to select a diet that would keep your bowels regular. In this you have failed and were obliged to go back to your laxatives again. This, I say, has been going on many years. You also have a slight catarrh in the head and throat. You never imagined that the catarrh had anything to do with the constipation. Suppose I were to tell you that as long as you have that catarrh you will never get better of your constipation. Would you be-

lieve me? Well, whether you would believe me or not it is the truth. For many years I have been wrestling with the problem of furnishing the public an internal cathartic remedy. Peruna has been the remedy that I have devised and it has certainly relieved many thousand people, yes hundreds of thousands of people, of chronic catarrh.

Constipation was my chief difficulty in treating these cases. I often felt that it would be better if a laxative element were added to Peruna. I feared to do so, however, first because of the number of catarrhal patients who needed no laxative, and second I was afraid of making such a radical change in a remedy that was already doing so well. Thus it was that I continued to prescribe with the Peruna a bottle of Manalin to those who needed a laxative. At last, under circumstances explained in my booklet, I was constrained to add the laxative element to Peruna. This constitutes what is now known as the revised Peruna.

Now those who take Peruna will first find themselves promptly relieved of their constipation. Second, the catarrh will gradually disappear. And once the catarrh is cured the constipation leaves permanently. Then if you follow the advice given in my book, you will never have to take pills any more. Cathartics and laxatives you can ignore. You will be permanently relieved of both your catarrh and the constipation. PERUNA IS FOR SALE AT ALL DRUG STORES.

SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. To such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.

WILSON TO CALL EXTRA SESSION

President-Elect Announces Congress Will Convene April 15.

WILL TAKE UP TARIFF REVISION

Says He Believes it Necessary, So That all Uncertainty Regarding Action Should be Removed at Once.

New York, Nov. 16.—Gov. Woodrow Wilson has just announced that immediately after his inauguration as president of the United States he would call an extraordinary session of Congress, to convene not later than April 15, for the purpose of revising the tariff.

The president-elect will sail for Bermuda at 2 o'clock in the afternoon for a vacation and will return December 16. To set at rest in the meantime speculation as to what he would do with regard to tariff revision, he issued the following statement:

In Interest of Business. "I shall call Congress together in extraordinary session not later than April 15. I shall do this not only because I think that the pledges of the party ought to be redeemed as promptly as possible, but also because I know it to be in the interest of business that all uncertainty as to what the particular items of tariff revision are to be should be removed as soon as possible.

Beyond that brief announcement the governor said he had nothing further to say. Most of the opinions he had received from public men seemed to be in favor of an extra session, he declared.

The governor did not intend to express himself about an extra session so soon after his election. Although he had favored the idea of an extra session because the present arrangement would not bring the new Congress into session until 13 months after its election, he had expected to spend more time in ascertaining public opinion.

To Avoid Delay. With the time to be consumed in discussion the governor felt that if an extra session were not called, the benefits of tariff revision would be postponed for practically two years. Throughout the campaign he reiterated that he desired an immediate revision of the tariff and that Democratic leaders knew perfectly well how to proceed about it.

The governor was impressed by the argument also that with an early announcement as to an extra session Democratic leaders in Congress could begin to take counsel at an early date so that much of the preliminary detail could be worked out before Congress convened April 15.

WOMAN SETS A CANNING RECORD

Prepares to Combat High Cost Living by Putting Up 500 Cans of Fruit.

Muskogee, Ok., Nov. 16.—There are still housewives who believe in the old fashioned way of making ready for winter by filling their pantries with canned fruit instead of buying it from day to day from their grocers. Mrs. D. R. Jarrett of this place is such a housewife. She canned more than 500 jars of fruit this year.

The fruits include peaches, pears, plums, strawberries, cherries, apples, wild plums, wild currants and the small golden tomatoes.

"The soil and sunshine of Oklahoma," said Mrs. Jarrett, "gave our fruit a quality of flavor that is not excelled in any other state. I believe that in a few years Oklahoma will be one of the great fruit-growing states."

JOHNSON'S LIBERTY VERY BRIEF

Black Was Released on \$69,000 Bond, and Immediately Rearrested on Another Charge.

Chicago, Nov. 16.—Jack Johnson, negro pugilist, was released from jail. Bail aggregating \$69,000 was proffered and accepted by United States District Attorney Wilkerson as sufficient. The bond was signed by Matthew S. Baldwin, a real estate dealer, and Mrs. Tiny Johnson.

Johnson was at once rearrested on a warrant from municipal court charging assault on a newspaper photographer who attempted to take a flash light of the negro while he was entering jail.

New Building Collapsed.

Detroit, Mich., Nov. 16.—Three workmen were buried in the ruins of a partly constructed building which collapsed here. Two bodies were removed from the debris shortly after the accident. Four other workmen were injured, more or less severely. It was said that the collapse was caused by the premature removal of casing from hardening cement.

Killed in Runaway.

Marysville, Kan., Nov. 16.—John Joggeli, 35 years old, was found dead on the road near Herkimer, seven miles north of here early in the morning. He was killed in a runaway, having fallen evidently between the wagon and horses. He was unmarried.

MOTOR BANDITS RAID KANSAS

HIRED CAR AND FORCED DRIVER TO OBEY ORDERS.

Trenton, Mo., Also Visited by Gang of Three—Blew Bank Safe and Got Little.

John, Kan., Nov. 16.—Three men entered the Palace Garage here and hired a car to take them to LaHarpe. Midway between the two towns the trio drew revolvers on John Hoke and Lee Hester, the chauffeur and mechanic, and ordered the car driven according to orders. The robbers ordered Hoke to drive the car to Chouteau, Thayer and Morehead. At different points the car was halted and houses, stores and garages robbed. When daylight broke at Morehead in the morning, the robbers released Hoke and Hester, who returned here at 9 o'clock.

Robbers during the night entered the Shannon hardware store, stealing eight revolvers and a supply of ammunition. They are believed to be the same men who took the car from the Palace Garage. Before releasing Hoke and Hester, the robbers took all their money and valuables.

Got Little in Missouri. Trenton, Mo., Nov. 16.—The village of Galt, a few miles east of here, was visited by robbers about 1 a. m. who broke into four buildings and escaped. It is believed there were four or five of the bandits, who first entered the Neff blacksmith shop and obtained tools. They then visited the post office, taking about \$25. The Cook & Vencil bank was broken into and the safe wrecked, but the robbers fled without getting the money. They also robbed the Proctor hardware store of four shotguns, a large quantity of ammunition and several pocket knives. It is believed they left town on a Milwaukee train.

COSTS MORE TO PASTURE CATTLE

Record Prices for Grazing Prevail in Chase County, Kansas, With Big Demand.

Cottonwood Falls, Kan., Nov. 16.—A new record price in pasture land rentals has just been established in this county at \$7 and \$7.50 a head for stock during the grazing season. These are the figures at which several thousand acres of the choicest grazing land in the east part of Chase county have been contracted for by Texas and Western stockmen who will bring cattle in for grazing next spring. That is the highest rental ever paid for grazing land in this locality and is 50 cents above last season's highest price.

The demand for Kansas grazing land among Southern and Western shippers has been steadily increasing and the advance in rentals have kept pace with this demand.

According to local stockmen there is a greater demand for pasture rentals right now at from \$6.50 to \$7.00 than there was seven or eight years ago at half that.

MONTENEGRO TO DICTATE TERMS?

Will Consent to Armistice Only on Surrender of Scutari.

TURKS ARE STILL HOLDING CITY

Ottoman Victory Reported in Country Nearby—Greeks in United States Called Upon to Return to Arms.

London, Nov. 16.—A dispatch from Constantinople says that Rodosto, a port on the Sea of Marmora, held by the Bulgarians, is in flames and that Turkish cruisers are bombarding all along the coast, but to no useful purpose.

Apparently the Montenegrins have set Scutari as their goal as the Bulgarians have Constantinople. Reports from Cetinje say that the Montenegrins will consider no plan for an armistice or for peace until the Turks have given up the stronghold.

Scutari has been besieged for several weeks. The Montenegrins were the first of the allies to attack the Ottomans and their march to the city's outer works was not met with many obstacles.

But Scutari's defense has been better than was at first expected. It was believed that the city could not hold out more than a few days, but the Turks still remain.

Montenegrins Defeated.

According to a Paris dispatch, an official note just issued says the ministers of the powers have approached the various Balkan states with a view to mediation and that the foreign ministers of the allies replied that they would refer the suggestion to their governments. The Montenegrin foreign minister, however, added that his government considered itself unable to consent to an armistice except on condition that the Turks surrender Scutari.

An official statement issued at Constantinople, on the basis of a telegram received from the Turkish commander at Scutari, reports a defeat of the Montenegrin troops in the vicinity of Scutari.

Greeks Called Home.

Washington, Nov. 16.—All Greek subjects in the United States who served in the Greco-Turkish war as recruits in 1896, 1897 and 1898 are called upon to return to arms in a dispatch received at the Greek legation here. They are expected to join the army within four months.

SUFFRAGISTS START TOWN ROW

Bonnet Burning at Pittsburg Was Without "Official" Sanction—Rival Leaders Bitter.

Pittsburg, Kan., Nov. 16.—There was war in Crawford county suffrage circles all afternoon. The bonnet bonfire caused it all. Mrs. Magdalene Munson, the third district chairman, refused to attend the jollification bonfire and gave out an interview bitterly attacking Mrs. Elizabeth Callen, chairman for Crawford county and the others who were associated with her in the celebration. Mrs. Munson declared Mrs. Callen had no right to arrange the bonfire affair and try to give it an official "favor." Mrs. Callen replied with the statement that the organization of suffragists decided when the polls closed a week ago Tuesday that every suffragist is free to do just as she pleases.

"Here we went out and fought the battle for votes and won it and now along come these women who let us do the work and try to claim the glory," said a Munson partisan.

Disaster Follows Family.

McPherson, Kan., Nov. 16.—Two little children of Mrs. Arnold, who lives northwest of McPherson, were shot by the accidental discharge of a shotgun and the oldest, 6 years old, was killed. The youngest, 5 years old, is not expected to live. It is not known just how the accident occurred. A year ago Mrs. Arnold's husband was shot and killed by a thug near their home at Denver.

Banker Stole \$2,000,000.

Paris, Nov. 16.—Augustin Max, known throughout France as "the blind banker of Paris," has surrendered himself to the police and confessed that he has misappropriated \$2,000,000 of his clients' money. Max said that he had invested the depositors' funds in copper and nickel mines in New Caledonia which failed.

Rockefeller to Sell Out.

Wichita, Kan., Nov. 16.—With the sale of 120 head of Hereford cattle on the Wichita market Frank Rockefeller of Cleveland, brother of John D. Rockefeller, will dispose of his farm property. His 10,000-acre ranch in Kiowa county, Kansas, is for sale. Mr. Rockefeller recently sold 76,000 acres of land in Texas. He is 70 years old.

Suspect a Lumber Trust.

Oklahoma City, Nov. 16.—Charging that the Long-Bell Lumber company of Kansas City, the Minnetonka Lumber company and other companies are maintaining a lumber trust, the corporation commission is investigating here the retail lumber conditions at Stroud and Tuttle, Ok.

SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand
On Her Feet More Than a Few
Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles."

Often, I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint.

I took Cardul, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did."

Take Cardul when you feel ill in any way—weak, tired, miserable, or under the weather. Cardul is a strength-building tonic medicine for women.

It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times.

Cardul acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs.

Its half century of success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardul. He will recommend it.

IN A RACE TO CORRECT ERROR

County Clerk Tries to Beat Mail to
Topeka.

MAY SETTLE THE GOVERNORSHIP

Will Try to Get Certificate and Make
Change of Thirteen Votes Before
Filing With State
Secretary.

Topeka, Nov. 16.—On the result of a night's race between one train carrying the mailed vote of Reno county and another carrying the county's clerk may depend the governorship of Kansas. At any rate it will mean a difference of 13 votes for Hodges.

After the official certificate of the county was mailed at Hutchinson it was discovered that the clerk had failed to count 13 additional votes for Hodges. So he caught the next train for the state capital.

In the morning, if he arrives in time, he will endeavor to get the package containing the vote from the post-office and make the correction before filing it with the secretary of state.

Hodges Still Leads.

Hodges maintained the lead he had over Capper and in fact made some material gains on the official and unofficial figures. He now is 28 ahead. Capper maintains he is 16 ahead of Hodges because of the error of the county clerk of Ness county in not transcribing the votes of the various precincts correctly. This mistake amounts to 44 votes in Capper's favor and if corrected would give him the lead.

They Lost and Gained.

Capper lost four votes in Allen county and gained six in Wyandotte, he says. Allen reported 183 plurality for Hodges, Cherokee \$50 for Hodges, Logan 205 for Capper and Jackson 15 for Hodges. There now are three counties missing, Reno, Sedgwick and Wyandotte.

The Shawnee county commissioners at a meeting added 15 to the Hodges vote in that county because they had failed to add the number of votes in one township. The same trouble is reported from Montgomery county, where not enough were added to Capper's vote in some of the townships.

Wyandotte County's Vote Shy.
Kansas City, Kan., Nov. 16.—What became of some thousand votes in Wyandotte county?

Grant Harrington, chairman of the Wyandotte county Democratic committee, would like to find the answer to this question. Almost a thousand more votes were cast in all than appear in the total vote cast for governor.

TO KEEP IMMIGRANTS FROM CITY

Representatives From 18 States Discuss Means of Inducing Foreigners to Take Up Farm Work.

Chicago, Nov. 16.—A national system of immigrant protection and distribution will be built up if representatives of 18 states attending the second annual meeting of the national conference of immigration, land and labor officials here can bring sufficient influence to bear on congress.

Exploitation of the immigrant by employment agencies, lodging houses and transportation companies would be a thing of the past if the bureau were organized, it is argued. Efforts would be made to induce the immigrant not to stop in the city of entry, but to go to the South and West to take up agriculture or work in villages and towns.

States represented at the conference are Illinois, Wisconsin, Michigan, New York, Iowa, Nebraska, Kansas, California, Washington, South Carolina, New Jersey, South Dakota, Louisiana and Tennessee.

Pays Victim's Widow.

New York, Nov. 16.—Joseph Bush, who killed James McNamara in a fight in Brooklyn September 29, has just been sentenced in supreme court to pay the widow \$3 a week for one year in lieu of spending a year in jail. Bush thankfully agreed to carry out the decree, but Mrs. McNamara said she would not take a cent from her husband's slayer. Bush was then told to place the money in a savings bank to the widow's credit. A jury found Bush guilty of assault in the third degree.

Calls Eddy Cult a Business.

Concord, N. H., Nov. 16.—Amendments alleging that Christian Science is not a religion, but a privately owned business, conducted for money profit, were filed in the superior court here in the case of George W. Glover of Lead, S. D., who seeks to have set aside the residuary bequest made by his mother, Mrs. Mary Baker Eddy, founder of the denomination, to the First Church of Christ, Scientist, of Boston.

Imprisoned by a Cave-In.

Salt Lake City, Nov. 16.—Twelve persons, four of them visitors, including two young women, are buried in the vast workings of the old Horn Silver mine at Frisco, Beaver county, Utah. The visitors are uninjured on the 300 foot level. The fate of seven miners in the lower level is uncertain.

LAXATIVE FOR OLD PEOPLE—"CASCARETS"

What Glasses Are to Weak Eyes, Cascarets Are to Weak Bowels—A
10-Cent Box Will Truly
Amaze You.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Advertisement.

MRS. EARL CHARLES DIED.

Passed Away at 11:30 Friday Night at St. Francis Hospital—Funeral Monday Morning at 9:30.

After several weeks of intense suffering, Mrs. Earl Charles passed away at St. Francis hospital Friday night at 11:30 o'clock.

The funeral services will be held Monday morning at 10 o'clock at St. Patrick's Catholic church, by the pastor, Rev. Fr. Niemann. Burial will take place in St. Patrick's cemetery.

According to a request made by Mrs. Charles her body will be removed from the hospital Saturday evening to the home of her parents, Mr. and Mrs. Daniel Donahue, four miles north of Maryville, to remain until the morning of the funeral service.

The death of any mother, especially a young mother, is peculiarly sad. For many weeks Mrs. Charles had made a brave struggle for her life, and lengthened it several days by her effort to live for the baby girl that was given her two weeks ago, and it seemed sometimes that she would win. She was conscious to the last and was finally able to say, "Thy will be done." She was a sweet Christian woman and her death is sincerely mourned by many friends.

Mrs. Charles was Alice Donahue, a daughter of Mr. and Mrs. Daniel Donahue of near Maryville. She was born in this county twenty-seven years ago on the 17th day of February last, and had always lived here. She was married November 29, 1911, to Earl Charles, a well known young farmer, and they had begun the erection of a new residence on the farm, ten miles south of Maryville, where they began house-keeping when Mrs. Charles was taken ill. She is survived by her husband and their daughter, Mary Alice; her parents, six sisters and one brother, who are Mrs. Frank Dempsey and Mrs. Will Sturm, near Maryville; Misses Nona, Anna, Stella and Mayme, at home, and William Donahue, also at home.

HIGH SCHOOL NOTES.

Basket Ball Tournament is Exciting Interest Among Students.

Basket ball is having its inning at the high school, and the enthusiasm is running high. Each afternoon of the last week, excepting Wednesday, was the scene of a lively encounter. COST OF THE RACE GLOVER CASE UP

CANDIDATES FILING THEIR EXPENSE ACCOUNTS.

OTHERS MUST FILE SOON

Dr. Wallis Spent Nothing in the Campaign—Contribution to Committee Wallace's Heaviest Expense.

Many candidates at the recent election are filing their campaign affidavits stating the amount of money they spent to make the race. These statements are to be filed within the next month.

Dr. Wm. Wallis, Jr., successful candidate for coroner did not spend a cent in his race.

E. T. Bailey, who was elected as a member of the county court from the north district, spent \$43.15.

J. W. Praisewater, representative-elect, spent \$33 in his campaign.

W. R. Tilson, who was elected treasurer by a close margin of 25, and which was one of the closest races in the election, spent only \$75.85.

J. F. Roelofson, successful candidate for public administrator, spent \$27.35.

Ed Wallace, successful candidate for sheriff, filed his statement showing that it cost him \$103.50, \$75 of this amount being donated to the Democratic county committee.

SPENDS \$7,341 ANNUALLY.

That Was the Amount Received by Burlington Junction Postoffice Employees This Year.

According to the Burlington Junction Post the postoffice at that place received \$7,341 the last year from the government to pay employees, rent and other incidental expenses. This is quite a pay roll for the Junction. The Post, continuing, says:

The books at the office show a remarkable growth in the business of the local office since May 15, 1897. The first year the total amount paid to the office from the government was \$1,160. There were no rural routes and the mail handled at that time wasn't a drop in the bucket compared with what now goes through the office. The past year \$7,341 was received from the government—an increase of \$6,181 over the receipts sixteen years ago.

An idea of the amount of mail handled by the local distributing office can be obtained from the following report made from the rural routes for the month of October. This report includes no mail distributed here in town:

Route No. 1—8,268 pieces, weight 1,025.94.

Route No. 2—8,130 pieces, weight 1,095.8.

Route No. 3—6,716 pieces, weight 915.7.

Route No. 4—6,131 pieces, weight 796.13.

Route No. 5—3,438 pieces, weight 498.10.

Total number of pieces carried, 32,683. Total weight of pieces, 4,255.15.

These figures go to show that the patrons on the routes out of Burlington Junction are kept well informed on current topics through the newspapers and magazines and do considerable corresponding. J. H. Bryant, the present postmaster, will complete his sixteenth year next May 15, having been reappointed three times to the office, and he has made a record that he may well be proud of in the service of Uncle Sam.

SMALLPOX AT ARKOE.

Owing to the Contagious Disease at That Town, no Preaching Will Be Held Sunday.

Many cases of smallpox are reported at Arkoe and owing to this, no public meetings or church services will be held. Rev. W. E. Royston, pastor of the Methodist church will hold no services there on Sunday and instead will preach at the Mt. Ayr Methodist church in the morning at 11 o'clock and in the afternoon at 3 o'clock. Rev. Royston has also postponed his meetings at Arkoe until December 1.

In the matter of hearing days for petitions for naturalization papers, the following days have been fixed and final action will be taken on application for citizenship in this court on the second Saturday in February, June and November terms of court at 1:30 p. m.

The suit of Grace Gray vs. Felix Johnson and Roy Johnson, a contract suit, the suit was dismissed for want of prosecution, and the plaintiff files motion to set aside dismissal.

In the case of Ira Gray vs. J. W. New, an appeal case from the justice court at Hopkins, the motion for a new trial was overruled, and the jury having found for the plaintiff for \$3, the defendant was ordered to pay that amount.

The case of Victoria A. Lund vs. estate of John F. Partridge, deceased, an appeal case from probate court, by agreement of parties it was settled by the plaintiff receiving \$500 and paying costs of suit.

In the suit of A. J. Ashlock vs. C. G. W., for damages, motion to set aside default sustained and default is ordered set aside upon defendant paying costs. Defendant files motion for cost bond.

PULLED DOWN A NOTCH.

Berney Harris Five Defeated Leaders in Basket Ball Tournament by a Score of 23-22.

The Montgomery-Lyle basketball team, leaders of the Normal basketball tournament were brought down a notch Friday evening when they were just barely nosed out by the Berney Harris five in the hardest fought battle of the tournament. The final count was 23 to 22. The Montgomery-Lyle team have only dropped two games thus far and both of these to the Berney Harris team by very close scores.

Captain Taylor, of the Berney Harris team, was out of the game with a sprained ankle and his place was taken by Prof. Moore, whose accurate passing, figured largely in the victory. Hutchinson played a great defensive game for the winners. He let Captain Daise down with two field goals and that's going some. Mathes at forward also contributed to the win with four spectacular field goals.

Lamar at forward for the defeated team was the best bet for his team. He picked four baskets. The defense of Scott and Cook was good. Line-up: Montgomery-Lyles—Forwards, Daise and Lamar; center, Houston; guards, Cook and Scott.

Berney Harris—Forwards, Moore and Mathes; center, Perrin; guards, Boyer and Hutchinson.

Summary—Field goals, Mathes 4, Perrin 5, Lamar 4, Daise 2, Houston, Scott, Moore.

In the second game of the afternoon the Bull Moosers had little trouble in besting the Bee Hives, as the 26 to 7 score will indicate. Captain Vander-sloot fattened his record with seven field goals and four free throws. The line-up:

Bull Moosers—Forwards, Vander-sloot and Hanna; center, Jones; guards, White and Richie.

Bee Hives—Forwards, Carpenter and Eek; center, Anderson; guards, Hanna and Hartness.

Summary—Field goals, Vander-sloot 7, Hanna 2, Richie 2, Eek 2, Carpenter, Free throws, Vander-sloot 4, Eek.

HOW TO FIGHT CHINCH BUG.

Pest Cost the State \$5,000,000 This Year.

According to L. Haseman of the Missouri agricultural station the chinch bug cost the state of Missouri approximately \$5,000,000 during this year. Unless immediate steps are taken to destroy the swarms which are living over during the winter this loss will be greatly increased next year.

Between now and December 1 all meadows, pastures, roads, waste lands and other fields, which are heavily overgrown, should be carefully examined for the hibernating chinch bugs. Those fields near wheat and corn fields which were infested last summer should be examined with special care. The insects hide deep down in clumps of grass, under leaves and rubbish and in many cases their presence can be detected from the disagreeable odor of the crushed bugs, even before one finds them in their hiding places.

Wherever they are found the fields should be burned over immediately and carefully so that every possible shelter will be destroyed. The wind should not be too strong so that the heat will penetrate down into the clumps of grass and make a clean job. Farmers should co-operate in burning over all public highways and railroad right of ways in the infested regions. With careful, systematic burning of all harboring places in the fall, a large per cent of the millions of hibernating bugs will be killed by the heat directly and many more left exposed to the winter. After each and every farmer has done all he can to destroy the pest during the winter, the fight will be well-enough started so that, if taken up in time next summer, the injury from the pests may be greatly reduced.

The house was handsomely decorated in the club colors of crimson, white and gold, and after the games an elaborate three-course luncheon was served by Mrs. Miller, who was assisted by her niece, Miss Alice Miller of Graham and Mrs. J. W. Ray. The favors were red carnations, the club flower. The guests of the club were Len Daise, Fred Vandershoot, Orlo Quinn and Ralph McClintock. The members of the club are Prof. George B. Israel, Harry H. Mutz, James Faris, Mr. Greer, Mr. VanGundy, Frank P. Miller and Floyd V. Miller.

Miss Maud Helpy, daughter of Mr. and Mrs. Wm. Helpy, was happily surprised Friday evening by her school girl friends, who came to spend the evening with her and celebrate her fourteenth birthday anniversary. The house had been decorated in crimson, themums by Mrs. Helpy and her daughters in honor of the day. Progressive dominoes and a musical program by the guests occupied the evening. Miss Ethel Ray won the prize at dominoes. Mrs. Helpy was assisted by her daughters, Misses Orlena and Helen Helpy, and Miss Hermione Fisher in serving the luncheon. Seventeenth Annual Bazaar.

The Ladies' Aid society of the First M. E. church met in a fine, large meeting in the church parlors Thursday afternoon and completed arrangements for their seventeenth annual bazaar, to be held at the church, Thursday and Friday, November 21-22. After the meeting the society was entertained by Mrs. J. C. Archer and Mrs. Mary Hook. The society has made it an object to present the best bazaar in its history this year, and they believe it will prove to be so. The president, Mrs. I. W. Nixon, is general superintendent, and is also manager of the kitchen affairs, for the ladies will serve their usual chicken pie dinner Thursday, fried chicken supper in the evening, and on Friday a roast chicken and roast beef dinner, and a fried chicken and oyster supper in the evening. The entertainment on Thursday evening will be in charge of the Epworth League, and the program will be announced later. Some of the booths are as follows: Fancy work, in charge of Mrs. Vance Westfall and Mrs. W. R. Wells; useful articles, Mrs. S. J. DeArmond and Mrs. G. A. VanSteenbergh; candy and ice cream, the Epworth League; harvest home, Mrs. M. D. Kemp and Mrs. J. C. Archer. Mrs. Charles McNeal's Sunday school class will have charge of a booth, and there will be others.

A Bull Moose Luncheon.

The girls of the Hum Drum club are the original Progressives in these parts, for they have been giving annual progressive party luncheons for

two or three years. Thursday evening was the time for their annual stunt, and in order to be right up to the mark they called it a Bull Moose luncheon, and it's the first one, by the way, that has been given, notwithstanding the enthusiastic and determined declarations of the Bull Moosers who vote. The luncheon last night was given in honor of Miss Dorothy Sherman of Kansas City, who is the guest of Miss Vera Tilson and Miss Carrie Margaret Baker. The first course, consisting of fruit cocktail, was served at the home of Mrs. E. F. Wolfert, with Miss Carrie Margaret Baker as hostess; the second course, cream tomato bouillon, at the home of Miss Mildred Hanna. The other courses were as follows: Creamed chicken, at the home of Dr. and Mrs. Leslie Dean, with Miss Dale Hoffman and Miss Vera Tilson as hostesses; creamed oysters, at the home of Miss Martha Koch; a dinner luncheon of brown bread, scalloped potatoes, candied potatoes, and potato chips, with favors of pink carnations, at the home of Miss Frances Keeler; hot biscuit and baked beans, at the home of Miss Ruby Curnutt; apricot ice and cream wafers, at the home of Miss Geneva Wilfley; the favors were given at the home of Miss Glen Hotchkiss and were purple chrysanthemums and painted menus with "Bull Moose Luncheon" on each; at Miss Mildred Robinson's home the course consisted of Sphinx a la mode. (This means that those everlasting Sphinx club boys got there first and stole the delicious ice cream and cake that was there, packers, plates, spoons and all—they must have been awfully hungry, and the Hum Drums didn't get a smell. This is told for a warning to all people who wish to entertain their friends.) The last course, coffee and cheese balls, was served at the home of Miss Blanche Shipp. How could they eat so much? Oh, they walked a long way between each course. That's how.

MADE ATTEMPT TO TAKE LIFE.

Clyde Keegin, Little Boy, Confessed to Taking Money and Did Not Want to Take Punishment.

Clyde Keegin, the 12-year-old boy of Mr. and Mrs. James Keegin, had a bottle of carbolic acid on his person this morning and was making an effort to take his life, as he did not want to be punished by his parents for taking some money from the shooting gallery. His father, however, took the bottle from him.

The little Keegin boy has been caught lately taking some money from this place.

Missouri Has Many Named Farms.

It is said that there are more named farms in Missouri than in any other state in the Union. This is probably due to the fact that Missouri was the first state to have a farm name registration law, the passage of which was secured by W. L. Nelson, present assistant secretary of the Missouri state board of agriculture. The cost of registering a farm name is but one dollar, payment to be made to the county clerk. Every farm should have a name. It promotes pride in the home place, and is an incentive to better farming.

Constipation and Catarrh

S. B. HARTMAN, M. D.

You are constipated. You have taken laxatives a great many years. You have tried to select a diet that would keep your bowels regular. In this you have failed and were obliged to go back to your laxatives again. This, I say, has been going on many years.

You also have a slight catarrh in the head and throat. You never imagined that the catarrh had anything to do with the constipation. Suppose I were to tell you that as long as you have that catarrh you will never get better of your constipation. Would you be-

lieve me? Well, whether you would believe me or not it is the truth.

For many years I have been wrestling with the problem of furnishing the public an internal catarrh remedy. Peruna has been the remedy that I have devised and it has certainly relieved many thousand people, yes hundreds of thousands of people, of chronic catarrh.

Constipation was my chief difficulty in treating these cases. I often felt that it would be better if a laxative element were added to Peruna. I feared to do so, however, first because of the number of catarrhal patients who needed no laxative, and second I was afraid of making such a radical change in a remedy that was already doing so well. Thus it was that I continued to prescribe with the Peruna a bottle of Manalin to those who needed a laxative. At last, under circumstances explained in my booklet, I was constrained to add the laxative element to Peruna. This constitutes what is now known as the revised Peruna.

Now those who take Peruna will, first, find themselves promptly relieved of their constipation. Second, the catarrh will gradually disappear. And once the catarrh is cured the constipation leaves permanently. Then if you follow the advice given in my book, you will never have to take pills any more. Catarrhs and laxatives you can ignore. You will be permanently relieved of both your catarrh and the constipation. PERUNA IS FOR SALE AT ALL DRUG STORES.

SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. To such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.

WILL TAKE UP TARIFF REVISION

Says He Believes it Necessary, So That all Uncertainty Regarding Action Should be Removed at Once.

New York, Nov. 16.—Gov. Woodrow Wilson has just announced that immediately after his inauguration as president of the United States he would call an extraordinary session of Congress, to convene not later than April 15, for the purpose of revising the tariff.

The president-elect will sail for Bermuda at 2 o'clock in the afternoon for a vacation and will return December 16. To set at rest in the meantime speculation as to what he would do with regard to tariff revision, he issued the following statement:

In Interest of Business: "I shall call congress together in extraordinary session not later than April 15. I shall do this not only because I think that the pledges of the party ought to be redeemed as promptly as possible, but also because I know it to be in the interest of business that all uncertainty as to what the particular items of tariff revision are to be should be removed as soon as possible.

Beyond that brief announcement the governor said he had nothing further to say. Most of the opinions he had received from public men seemed to be in favor of an extra session, he declared.

The governor did not intend to express himself about an extra session so soon after his election. Although he had favored the idea of an extra session because the present arrangement would not bring the new congress into session until 13 months after its election, he had expected to spend more time in ascertaining public opinion.

To Avoid Delay.

With the time to be consumed in discussion the governor felt that if an extra session were not called, the benefits of tariff revision would be postponed for practically two years. Throughout the campaign he reiterated that he desired an immediate revision of the tariff and that Democratic leaders knew perfectly well how to proceed about it.

The governor was impressed by the argument also that with an early announcement as to an extra session Democratic leaders in congress could begin to take counsel at an early date so that much of the preliminary detail could be worked out before congress convened April 15.

WOMAN SETS A CANNING RECORD

Prepares to Combat High Cost Living by Putting Up 500 Cans of Fruit.

Muskogee, Ok., Nov. 16.—There are still housewives who believe in the old fashioned way of making ready for winter by filling their pantries with canned fruit instead of buying it from day to day from their grocers. Mrs. D. R. Jarrett of this place is such a housewife. She canned more than 500 jars of fruit this year.

The fruits include peaches, pears, plums, strawberries, cherries, apples, wild plums, wild currants and the small golden tomatoes.

"The soil and sunshine of Oklahoma," said Mrs. Jarrett, "gave our fruit a quality of flavor that is not excelled in any other state. I believe that in a few years Oklahoma will be one of the great fruit-growing states."

JOHNSON'S LIBERTY VERY BRIEF

Black Was Released on \$69,000 Bond, and Immediately Rearrested on Another Charge.

Chicago, Nov. 16.—Jack Johnson, negro pugilist, was released from jail. Bail aggregating \$69,000 was proffered and accepted by United States District Attorney Wilkerson as sufficient. The bond was signed by Matthew S. Baldwin, a real estate dealer, and Mrs. Tina Johnson.

Johnson was at once rearrested on a warrant from municipal court charging assault on a newspaper photographer who attempted to take a flash light of the negro while he was entering jail.

New Building Collapsed.

Detroit, Mich., Nov. 16.—Three workmen were buried in the ruins of a partly constructed building which collapsed here. Two bodies were removed from the debris shortly after the accident. Four other workmen were injured, more or less severely. It was said that the collapse was caused by the premature removal of casing from hardening cement.

Killed in Runaway.

Marysville, Kan., Nov. 16.—John Joggeli, 35 years old, was found dead on the road near Herkimer, several miles north of here early in the morning. He was killed in a runaway, having fallen evidently between the wagon and horses. He was unmarried.

Carmie Thompson, secretary of the president, is slated to succeed L. B. McCflung as treasurer of the United States.

MOTOR BANDITS RAID KANSAS

HIRED CAR AND FORCED DRIVER TO OBEY ORDERS.

Trenton, Mo., Also Visited by Gang of Three—Blew Bank Safe and Got Little.

Iola, Kan., Nov. 15.—Three men entered the Palace Garage here and hired a car to take them to LaHarpe. Midway between the two towns the trio drew revolvers on John Hoke and Lee Hester, the chauffeur and mechanic, and ordered the car driven according to orders. The robbers ordered Hoke to drive the car to Chautau, Thayer and Morehead. At different points the car was halted and houses, stores and garages robbed. When daylight broke at Morehead in the morning, the robbers released Hoke and Hester, who returned here at 9 o'clock.

Robbers during the night entered the Shannon hardware store, stealing eight revolvers and a supply of ammunition. They are believed to be the same men who took the car from the Palace Garage. Before releasing Hoke and Hester, the robbers took all their money and valuables.

Got Little in Missouri.

Trenton, Mo., Nov. 16.—The village of Galt, a few miles east of here, was visited by robbers about 1 a. m. who broke into four buildings and escaped. It is believed there were four or five of the bandits, who first entered the Neff blacksmith shop and obtained tools. They then visited the post-office, taking about \$25. The Cook & Vencil bank was broken into and the safe wrecked, but the robbers fled, without getting the money. They also robbed the Proctor hardware store of four shotguns, a large quantity of ammunition and several pocket knives. It is believed they left town on a Milwaukee train.

COSTS MORE TO PASTURE CATTLE

Record Prices for Grazing Prevail in Chase County, Kansas, With Big Demand.

Cottonwood Falls, Kan., Nov. 16.—A new record price in pasture land rentals has just been established in this county at \$7 and \$7.50 a head for stock during the grazing season. These are the figures at which several thousand acres of the choicest grazing land in the east part of Chase county have been contracted for by Texas and Western stockmen who will bring cattle in for grazing next spring. That is the highest rental ever paid for grazing land in this locality and is 50 cents above last season's highest price.

The demand for Kansas grazing land among Southern and Western shippers has been steadily increasing and the advance in rentals have kept pace with this demand.

According to local stockmen there is a greater demand for pasture rentals right now at from \$6.50 to \$7.00 than there was seven or eight years ago at half that.

MONTENEGRO TO DICTATE TERMS?

Will Consent to Armistice Only on Surrender of Scutari.

TURKS ARE STILL HOLDING CITY

Ottoman Victory Reported in Country Nearby—Greeks in United States Called Upon to Return to Arms.

London, Nov. 16.—A dispatch from Constantinople says that Rodosto, a port on the Sea of Marmora, held by the Bulgarians, is in flames and that Turkish cruisers are bombarding all along the coast, but to no useful purpose.

Apparently the Montenegrins have set Scutari as their goal as the Bulgarians have Constantinople. Reports from Cetinje say that the Montenegrins will consider no plan for an armistice or for peace until the Turks have given up the stronghold.

Scutari has been besieged for several weeks. The Montenegrins were the first of the allies to attack the Ottomans and their march to the city's outer works was not met with many obstacles.

But Scutari's defense has been better than was at first expected. It was believed that the city could not hold out more than a few days, but the Turks still remain.

Montenegrins Defeated.

According to a Paris dispatch, an official note just issued says the ministers of the powers have approached the various Balkan states with a view to mediation and that the foreign ministers of the allies replied that they would refer the suggestion to their governments. The Montenegrin foreign minister, however, added that his government considered itself unable to consent to an armistice except on condition that the Turks surrender Scutari.

An official statement issued at Constantinople, on the basis of a telegram received from the Turkish commander at Scutari, reports a defeat of the Montenegrin troops in the vicinity of Scutari.

Greeks Called Home.

Washington, Nov. 16.—All Greek subjects in the United States who served in the Grecian Army as recruits in 1896, 1897 and 1898 are called upon to return to arms in a dispatch received at the Greek legation here. They are expected to join the army within four months.

SUFFRAGISTS START TOWN ROW

Bonnet Burning at Pittsburg Was Without "Official" Sanction—Rival Leaders Bitter.

Pittsburg, Kan., Nov. 16.—There was war in Crawford county suffrage circles all afternoon. The bonnet bonfire caused it all. Mrs. Magdalene Munson, the third district chairman, refused to attend the jollification bonfire and gave out an interview bitterly attacking Mrs. Elizabeth Callen, chairman for Crawford county and the others who were associated with her in the celebration. Mrs. Munson declared Mrs. Callen had no right to arrange the bonfire affair and try to give it an official "favor." Mrs. Callen replies with the statement that the organization of suffragists decided when the polls closed a week ago Tuesday that every suffragist is free to do just as she pleases.

"Here we went out and fought the battle for votes and won it and now along come these women who let us do the work and try to claim the glory," said a Munson partisan.

Disaster Follows Family.

McPherson, Kan., Nov. 16.—Two little children of Mrs. Arnold, who lives northwest of McPherson, were shot by the accidental discharge of a shotgun and the oldest, 8 years old, was killed. The youngest, 5 years old, is not expected to live. It is not known just how the accident occurred. A year ago Mrs. Arnold's husband was shot and killed by a thug near their home at Denver.

Banker Stole \$2,000,000.

Paris, Nov. 16.—Augustin Max, known throughout France as "the blind banker of Paris," has surrendered himself to the police and confessed that he has misappropriated \$2,000,000 of his clients' money. Max said that he had invested the depositors' funds in copper and nickel mines in New Caledonia which failed.

Rockefeller to Sell Out.

Wichita, Kan., Nov. 16.—With the sale of 120 head of Hereford cattle on the Wichita market Frank Rockefeller of Cleveland, brother of John D. Rockefeller, will dispose of his farm property. His 10,000-acre ranch in Kiowa county, Kansas, is for sale. Mr. Rockefeller recently sold 76,000 acres of land in Texas. He is 70 years old.

Suspect a Lumber Trust.

Oklahoma City, Nov. 16.—Charging that the Long-Bell Lumber company of Kansas City, the Minnetonka Lumber company and other companies are maintaining a lumber trust, the corporation commission is investigating here the retail lumber conditions at Stroud and Tuttle, Ok.

IN A RACE TO CORRECT ERROR

County Clerk Tries to Beat Mail to Topeka.

MAY SETTLE THE GOVERNORSHIP

Will Try to Get Certificate and Make Change of Thirteen Votes Before Filing With State Secretary.

Topeka, Nov. 16.—On the result of a night's race between one train carrying the mailed vote of Reno county and another carrying the county's clerk may depend the governorship of Kansas. At any rate it will mean a difference of 13 votes for Hodges.

After the official certificate of the county was mailed at Hutchinson it was discovered that the clerk had failed to count 13 additional votes for Hodges. So he caught the next train for the state capital.

In the morning, if he arrives in time, he will endeavor to get the package containing the vote from the post-office and make the correction before filing it with the secretary of state.

Hodges Still Leads.

Hodges maintained the lead he had over Capper and in fact made some material gains on the official and unofficial figures. He now is 28 ahead. Capper maintains he is 16 ahead of Hodges because of the error of the county clerk of Ness county in not transcribing the votes of the various precincts correctly. This mistake amounts to 44 votes in Capper's favor and if corrected would give him the lead.

They Lost and Gained.

Capper lost four votes in Allen county and gained six in Wyandotte, he says. Allen reported 183 plurality for Hodges, Cherokee 850 for Hodges, Logan 205 for Capper and Jackson 15 for Hodges. There now are three counties missing, Reno, Sedgwick and Wyandotte.

The Shawnee county commissioners at a meeting added 15 to the Hodges vote in that county because they had failed to add the number of votes in one township. The same trouble is reported from Montgomery county, where not enough were added to Capper's vote in some of the townships.

Wyandotte County's Vote Shy. Kansas City, Kan., Nov. 16.—What became of some thousand votes in Wyandotte county?

Grant Harrington, chairman of the Wyandotte county Democratic committee, would like to find the answer to this question. Almost a thousand more votes were cast in all than appear in the total vote cast for governor.

TO KEEP IMMIGRANTS FROM CITY

Representatives From 18 States Discuss Means of Inducing Foreigners to Take Up Farm Work.

Chicago, Nov. 16.—A national system of immigrant protection and distribution will be built up if representatives of 18 states attending the second annual meeting of the national conference of immigration, land and labor officials here can bring sufficient influence to bear on congress.

Exploitation of the immigrant by employment agencies, lodging houses and transportation companies would be a thing of the past if the bureau were organized, it is argued. Efforts would be made to induce the immigrant not to stop in the city of entry, but to go to the South and West to take up agriculture or work in villages and towns.

States represented at the conference are Illinois, Wisconsin, Michigan, New York, Iowa, Nebraska, Kansas, California, Washington, South Carolina, New Jersey, South Dakota, Louisiana and Tennessee.

Pays Victim's Widow.

New York, Nov. 16.—Joseph Bush, who killed James McNamara in a fight in Brooklyn September 29, has just been sentenced in supreme court to pay the widow \$3 a week for one year in lieu of spending a year in jail. Bush thankfully agreed to carry out the decree, but Mrs. McNamara said she would not take a cent from her husband's slayer. Bush was then told to place the money in a savings bank to the widow's credit. A jury found Bush guilty of assault in the third degree.

Calls Eddy Cult a Business.

Concord, N. H., Nov. 16.—Amendments alleging that Christian Science is not a religion, but a privately owned business, conducted for money profit, were filed in the superior court here in the case of George W. Glover of Lead, S. D., who seeks to have set aside the residuary bequest made by his mother, Mrs. Mary Baker Eddy, founder of the denomination, to the First Church of Christ, Scientist, of Boston.

Imprisoned by a Cave-In.

Salt Lake City, Nov. 16.—Twelve persons, four of them visitors, including two young women, are buried in the vast workings of the old Horn Silver mine at Prisco, Beaver county, Utah. The visitors are uninjured on the 300 foot level. The fate of seven miners in the lower level is uncertain.

LAXATIVE FOR OLD PEOPLE—"CASCARETS"

What Glasses Are to Weak Eyes, Cascarets Are to Weak Bowels—A 10-Cent Box Will Truly Amaze You.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles. So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Advertisement.
